

BRING NHL HOCKEY FORWARD TO A NEW GOLDEN AGE

How To Control And Eliminate Illegal Hits And Player Concussions:

They Are Laying Waste To Our Proud Canadian Game Of Ice Hockey

The Remedy Is Twofold:

1

Prohibit The Wearing Of Hockey Helmets

Let NHL players be seen on the ice as NBA players are seen on the court

2

Work Towards The Ending Of Mr.Gary Bettman's Term As The Commissioner Of The National Hockey League: A Post He Has Held Since February 1,1993.

At Heart He Is Not A Hockey Man Although He Has Handled The League Finances Satisfactorily But He Is Guilty Of Introducing “Gladiator Hockey” To The NHL Agenda.
