

# **THE WORLD IS TIRED OF THE ONE-SIDED “WAR ON TERRORISM”**

The ever increasing tempo of “State Sponsored War on Terrorism” is a modern day problem of immense proportions that has its effects in every corner of our planet. Recent years have become a labyrinth of fire and brimstone suffering for those nations unlucky enough to stand firm in the path of the military fireworks of predatory nations intent on the fulfillment of their programs of domination that introduces new foreign born universal arrangements of political, social, and economic agendas for certain nations of the world.

Today the sad realization for millions of people around the world is the brutal fact that thousands of young innocent men, women and children are dying daily as martyrs in today’s “War On Terrorism.” This scandalous reality is being played out graphically twenty-four hours a day on television networks around the world and is sure to leave a long lasting impression of horror and fear in the hearts and minds of both the young and the old of the world. A multitude of reasons are officially “spoken of “ by military and governmental officials in their effort to justify the invasion of Iraq by the American Government - oil, hidden nuclear and chemical weapons, inept and faulty intelligence, democracy, freedom, liberty, etcetera. These and other

nebulous reasons have nothing to do with America's unilateral decision to bomb, invade and occupy Iraq.

The rationale for this and other recent military interventions was born in post war 1945 when the total victory of the Allied Military Forces in Europe and Asia provided the basis needed for the birth and establishment of a terrible new order of International Political Domineers who plan to introduce a new order of political, economic and social programs on the world: a policy of madness that will rob much of the world of its solid moral basis.

## **A NEED FOR A WAR ON TERRORISM?**

In order that the real reasons for this War on Terrorism remains a secret, a media arsenal of falsehoods, misrepresentations, untruths, forgeries, lying, exaggerations, provocations, frauds, fabrications, deceptions, shams, double dealings, and hypocrisies, was duly fabricated and has been unabashedly promoted ever since.

From whom did they receive their mandate and their authority to do such scandalous things? Is it too easy to say from the results of a free and democratic election.

If that is the one and only honorable way for citizens to select their political leaders it is a flawed system of government. They exist and operate veiled by the modern day chimeras of Liberalism, Democracy, Freedom, Conservatism, Monarchy, Federalism, International Treaties and Alliances, and Government by Administrative Decree. The world has now had two hundred years of democratic maleficent rule by their elected heads of governments and in some cases their heads of state. Surely the average citizen now knows what is being told to him and what is actually being done by these same governments.

## **WAR LORDS AND THEIR WAR GAMES**

Who are these men who travel to the far ends of the earth to meet in secret rooms and conceive and execute special and far reaching agendas in concealed documents which in due course will affect the lives, fortunes and destiny of millions of global citizens their families and their children? Are the Americans? Are they English or British? Are they Jews? Regardless of what their passports show and state they are none of the above. They are Internationalists! Their loyalty

and their allegiance is to another concept of a nation state still unannounced and unnamed — but nevertheless fully developed in their minds.
